Emergencies at the Centers are reported to and responded to by the Public Safety Department located in each District Emergencies at Piya Wiconi are reported to Campus Security/Maintenance who assess the situation and decide if the police need to be notified. All incidents are documented for future reference.

Crime Prevention and Education
The primary responsibility for safety and security rests with the individual. Students and staff must observe all reasonable precautions to ensure their own well-being. Prompt and accurate reporting of criminal incidents is strongly encouraged.

Oglala Lakota College is concerned with the personal safety of students, faculty, and staff, as well as educating individuals on how to be responsible for his or her own safety. OLC strives to provide awareness of and educational opportunities about sexual assault, including rape, and other forcible and non-forcible sex offenses.

Alcohol and Drugs
The Federal Enclaves Act applied to crimes by non-Indians on the reservation, and has been interpreted to extend the General Laws of the United States to Indian perpetrators as well. Thus, all of the drug laws of the United States relates to possessions, use, sale, trafficking, and conspiring, amount others, as codified in 21 U.S.C. 801 *et seq*. applies to anyone violating those laws on the campus of Oglala Lakota College. Prosecution may be brought in tribal court, if a violation of the Oglala Sioux Law and Order Code occurs, or in federal court under the Federal Enclaves Act. (18 U.S.C. 1152) and the drugs laws of the United States, or both simultaneously.

Alcohol crimes at the Federal level are described in 18 U.S.C. 1154 (Dispension of Liquor in Indian Country), 18 U.S.C. 1155 (Intoxicators Dispensed on School Site), and 18 U.S.C. 1156 (Intoxicants possessed unlawfully). Possession and trafficking of liquor, including "bootlegging" may be prosecuted in Federal court, or in Tribal court, or both.

These are the primary laws, along with the Tribal Code, which applies to alcohol and drug crimes on the Oglala Lakota College campus, excluding the Rapid City Extension (upon which South Dakota State alcohol and drug laws apply).
